

Hosting a Seminar

If you are interested in hosting the **Becoming a Person of High Impact: A Discipleship Seminar**, here is a little more information that may be helpful to you as you're getting started. The seminar is 5 ½ hours of teaching and interaction that will begin or grow the process of **raising up spiritually maturing, reproducing disciples of Christ** at your church. The seminar can be held on a Saturday or split into one evening and a half-day. The model for the seminar is the Biblical plan of multiplication as it was lived out by Jesus and His followers. Pastors, staff and lay leaders will be given the basic teaching to begin a discipleship life style that will redirect their personal lives as well as the direction of the church.

What is covered in the seminar?

What is discipleship? Why is discipleship important? What is a disciple? What are the characteristics of a disciple? How do I share my faith with my friends and family? How do I prepare for discipleship? How do I train another individual or small group in discipleship? What is multiplication? What is the Christian life all about? What does it look like to live by Biblical priorities? *What are The Four Priorities?*

The goal of the seminar is to hold out a vision for the multiplication of disciples through your church. Some churches have used this seminar to initiate or reinvigorate a discipleship reproduction process within their members. We can also equip others to deliver the seminar as a part of such a reproduction process.

To host the seminar we ask for compensation for the following:

\$1,500.00	Cost for conducting the seminar
\$ 20.00	<i>The Four Priorities</i> Workbook – one per participant
\$ 12.00	Seminar manual – one per participant

Refreshments for the seminar, travel and lodging for Dr. Tolson is provided by the hosting congregation. For more information, please contact Mark Joeckel at 214-521-0928.
